☒ Examiner's Statement of Reasons for Allowance

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicant's terminal disclaimer is acceptable and overcomes the non-statutory double patenting rejection. Furthermore, none of the prior art teaches or suggests that the specific features claimed can be used to inspect luggage contents for explosives or delamination in a composite material, as now variously required by the claims, so that each of the claims is allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Johns whose telephone number is (703) 305-4788. The examiner can normally be reached on Monday-Friday from about 7:00 to about 3:30. The examiner may also be contacted by e-mail using the address: andrew.johns@uspto.gov.

If attempts to reach the examiner are unsuccessful, the examiner's supervisor, Leo Boudreau, can be reached on (703) 305-4706. The fax phone number for official communications is (703) 308-6606 and the fax phone number for unofficial or draft communications is (703) 308-5397. All unofficial communications should be clearly labeled as "Draft."
